

Salomon Pierre NTABET

JUNIOR ETHICAL HACKER

ntabetsalomon@gmail.com (+237) 682 909 506 Rue 2.392 Nkomkana, Yaoundé

www.linkedin.com/in/salomon-pierre-ntabet

SUMMARY

Aspiring Penetration Testing professional with hands-on experience in ethical hacking and a strong foundation in network security, gained through an apprenticeship with Cisco and a Nano Degree program at Udacity. Skilled in identifying vulnerabilities, using industry-standard tools, and developing secure frameworks. Passionate about safeguarding digital systems and continually advancing knowledge in cutting-edge cybersecurity practices.

KEY SKILLS

- Penetration Testing and Vulnerability Assessment
- Security Policy Development and Enforcement
- Firewall and Intrusion Detection System Management
- Cybersecurity Incident Response
- Security Audit Support
- Disaster Recovery Planning
- Cybersecurity Awareness Training
- Antivirus Software Maintenance and Updating
- Compliance with Industry Standards and Regulations

EXPERIENCE

Ethical Hacking Apprentice *Cisco Networking Academy / April 2025 – present*

- Gained hands-on experience in identifying vulnerabilities in networks and applications.
- Developed proficiency in ethical hacking tools such as Wireshark and Nmap
- Acquired strong knowledge of networking protocols, cryptography, and penetration testing techniques.
- Collaborating with virtual enterprise to simulate and analyze real-world cyberattacks.
- Completing project-based tasks to strengthen understanding of ethical hacking principles.

Computer Science Tutor *La Gaiete International School Complex, Yaounde / February 2025 – present*

- Developed and delivered engaging computer science lessons increasing student understanding by 30%.
- Taught fundamental programming concepts using C, HTML/CSS.
- Created and graded assignments, projects, and assessments to evaluate student learning.
- Provided individualized support and guidance to students with varying learning needs.
- Utilized effective classroom management techniques to maintain a positive and productive learning environment.

Nano Degree Program Student *Udacity | December 2024 – March 2025*

- Enrolled in an intensive online program focused on cybersecurity and ethical hacking.
- Built and tested security frameworks while working on practical assignments and case studies.
- Enhanced skills in programming (Python) for security purposes.
- Learned key concepts in web application security, malware analysis, and database protection.
- Received mentorship and guidance from industry experts throughout the program.

Web Developer Intern *Seven-Advanced Academy, Douala | August 2019*

- Built a user interface mini-project for Google Chrome browsers.
- Translated user needs into actionable tasks, improving project outcomes.

CERTIFICATIONS

- Data Analysis with Excel - Coursera
- Nanodegree : Foundations of Ethical Hacking - Udacity
- Time Management for Personal and Professional productivity - Coursera

EDUCATION

BSc. In Computer Science | 2021 – 2024 University of Yaounde I – *Cameroon*

- **Relevant coursework:** Software Engineering, Data Analysis, Business Intelligence & ERP, Software Testing, Algorithms

G.C.E Advanced Level | July 2021

Government Bilingual High School Nkol-Eton, Yaounde – *Cameroon*

- **Relevant coursework:** Computer Science, Mathematics, Physics, Chemistry, Biology
-

TECHNICAL SKILLS

- **Programming Languages:** Java, Python, JavaScript HTML, CSS.
 - **Frameworks/Libraries:** React JS, Django Rest, Spring boot, Flutter.
 - **Database Management Systems:** PostgreSQL, MySQL, MS Access.
 - **Operating Systems:** UNIX variants (Ubuntu, Kali Linux), Microsoft (Windows 10), MacOS.
 - **Tools:** Docker, Kubernetes
-

LANGUAGES

- **English** (Proficient)
- **French** (Native)
